SPRING 2020

*From the
Desk of Supreme Chancellor
Joel D. Fierstien, KGS*

The Spring of 2020 presents many challenges. Along the road we have seen many obstacles personally and for our Order. Perhaps the greatest has been the coronavirus pandemic affecting every aspect of life and the suffering and anxiety, leaving us behind masks, our activities so limited, the misery of unemployment, not being able to meet in groups, and postponed grand lodge conventions. But, after all the pain and self-discipline, tenaciously we will prevail ultimately.

In a month of spring holidays and the outside blossoming, we can think ahead while locked in place and perfecting our social distancing. Rhetorically how did we cope, support each other, which brought us here to see where we are going. Imagine what we will do trying to resume some importantly work. We have seen recent successes

Supreme Chancellor's Message

Cont. from front page

in terms of new lodges and promotional items increasing our visibility. For the Knights of Pythias and despite the uncertainty, we await our meetings, activities, and the excitement of the upcoming 2020 Supreme Lodge Convention.

Take the opportunity to be supportive and to reach out to others with social media offering unlimited communication and entry to many new things, "apps."

Be cautious, healthy, and positive.

From the Supreme Secretary's Desk

There is a tremendous amount of concern regarding the Coronavirus and the should be. (COVID-19, "CO" stands for "corona," "VI" for "virus," and "D" for disease, 19 for the year it started) A few of our Grand Lodges have postponed their Grand Lodge Convention until such time as things start to calm down. However, as of this writing, the Supreme Conventions are still on and scheduled to take place from July 31 through August 6. Later in this issue is information regarding the conventions, the hotel, the tours, the costs and amenities. Any questions you may have should be directed to the Chairs for the Supreme Lodge and the Supreme Temple. Anyone else you may speak to will not be able to give you proper information. The Chairs' names, phone numbers and email addresses are also listed on the information in the back of this issue.

Stay well and stay safe !!!

Supreme Secretary

Connie Edwards*

Greetings from My House to Your House:

As many people at this time who in the food service, I'm setting at home, bored, and going stir crazy. And hope things get better soon, and there are things to be done if I really want to.

At this time I have not heard of any Pythian with the COVID-19 virus. We just have to follow the rules set by our states, and only go out for food and meds.

I was able to attend the Convention planning meeting in February at the Hotel. The hotel is nice, close to the airport, only a 15 minute ride on the shuttle.

The hotel is setting up a breakfast and lunch buffet on Monday, Tuesday, and Wednesday for the convention.

Please send in your hotel and tour reservations early. Tours cut offs are June 1st. There is a limit on some of the tours.

Representatives both Knights and Sisters, this is your convention. As Representatives you have voice and vote on all issues, as long as your grand is in good standing. We need your input on the business that comes up.

I have received word of several Grands canceling, postponing and moving the dates to a safer time. BUT THE SUPREME CONVENTIONS are still a go. We all know a lot depends on the COVID-19 virus.

So play it safe by staying in and only going out for food and meds. And I hope to see everyone in August.

Be safe and God Bless You !!

LAFAYETTE LODGE #51 – INDIANA

Dr. Ken Moder of Lafayette Lodge #51 is shown presenting a check for \$250 to Ms. Jessica Pierce, Director of Creasy Lane Right Steps. Under Ms. Pierce's leadership, children coming from challenged families are being shown how, through proven clinical pediatric neural science methods, to reduce their stress levels and limit their behavioral outbursts in the preschool setting. These techniques allow them to learn better and be less disruptive. The methods provide these children outlets that can be used as they move into the mainstream educational system and beyond. Lafayette Lodge #51 is proud to be a small part of this cutting-edge science for our children and community.

MISSOURI IS ON THE MOVE

On February 15th, 2020, as part of Pythian Awareness Week, 11 Knights from Sicilian Lodge #39 and Grand Chancellor Larry Caudle of the Grand Domain of Missouri traveled to Emporia, Kansas to perform a 3-in-1 day ceremony rank work for five new members of the Order, including the long form rank of Knight. It was the first such use of the long form of Knight in the Domain of Missouri in the memories of those attending, and it was the first meeting of the Knights of Pythias in Kansas in nearly a decade. It is hoped that with such enthusiasm and interest as has been seen in the Emporia area for the Order, there may be a new lodge formed there in the near future. Sicilian Lodge #39 thanks Emporia Masonic Lodge #12 for the use of their building and their generous hospitality and enthusiastic support in the name of fraternity.

PYTHIAN SISTER'S OKTOBERFEST FLOAT – SEYMOUR, INDIANA

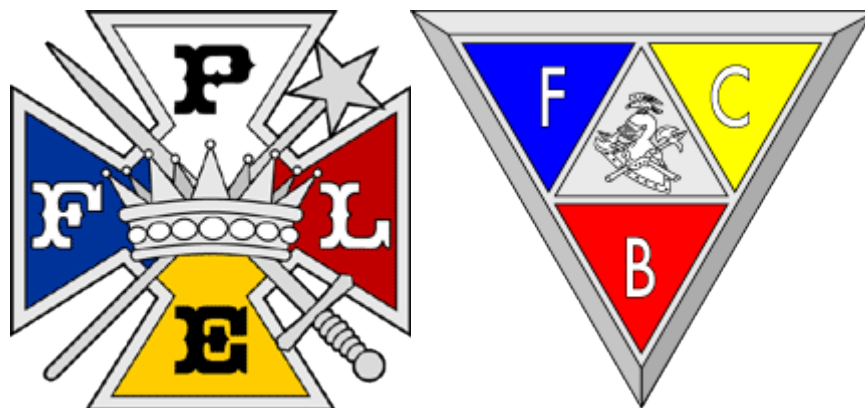

Float participants are Toniann Harris, Melissa Wilson, Cassie Willis, Bev Deaton, Dianne Malone, Casey Wilson son of Melissa Wilson, and Andrea Zagata sister of Melissa. Designed by Melissa Wilson and built by Joe Wilson, Melissa Wilson's spouse. Decorated by float participants. Float was pulled by Joe Wilson, Melissa Wilson's spouse, with Alex Willis, Cassie Willis's son, as a rider.

They won the \$100.00 first prize money and trophy for the second consecutive year!.

My name is Rebecca LohKamp; I am the Most Excellent Junior for Ivanette Temple #68 in Portland Oregon. I have only been involved in the Pythian movement a few years, so I don't know a lot of the history. The Oregon Pythian Sisters will be celebrating their 125th anniversary in 2021 and we will be publishing a history and cookbook as part of our celebration. Writing this cookbook has really brought me a lot of new knowledge and some great stories. We are looking for pictures and stories about the Pythian movement from its inception to present. We would love to include any pictures, stories, and recipes about and from Pythians in your area that you would like to share with us. If you could share this with your members and with the Knights lodge secretaries that would be much appreciated.

Many thanks,
In PLE&F,
Rebecca LohKamp
